

CEJSH

THE CENTRAL EUROPEAN JOURNAL OF SOCIAL SCIENCES AND HUMANITIES (CEJSH) was launched in Visegrad on 27 October 2004, in accordance with a joint decision taken in Prague on 31 October 2003 by the Presidents of the Academy of Sciences of the Czech Republic, the Polish Academy of Sciences (PAN), the Slovak Academy of Sciences and by the Secretary General of the Hungarian Academy of Sciences.

In the beginning the objective was to establish an electronic database of English abstracts of articles that appear mostly in national languages in scientific journals devoted to social sciences and humanities in the Czech Republic, Hungary, Poland, the Slovak Republic. Later also publishers of some scientific journals published in Bosnia and Herzegovina, Estonia, Latvia, Lithuania, Serbia, Slovenia and Ukraine joined the project.

Since 2011 the CEJSH database became a part of the Polish Digital Library CEON <http://yadda.icm.edu.pl/yadda> which means the users can access to full texts of those journals that are published in open access mode.

The Polish Academy of Sciences continues to act as the organizer and coordinator of CEJSH activities and encourages all interested scholars to visit the CEJSH website at <http://cejsh.icm.edu.pl> and to acquaint themselves with the constantly expanding number of articles.
